

## ***Glamour & Boudoir Photos***

Boudoir Parties are great for Bachelorette parties or groups of friends wanting to do something different...and affordable. Party Packages are available for in-studio, at a luxury hotel suite or at your location. Packages can be customized to include hair and make-up. While not required, I highly recommend professional make-up at the very least to obtain the best look.

### **Included in a Photo Party:**

- 20 minute mini-photo shoot (1 set-up, 1 outfit)
- In person viewing & ordering
- 1 fully retouched 4x6 print
- 1 digital file of the same shot as the print for sharing via cell phone, Facebook, web
- Complimentary glass of champagne

Additionally, the Guest of Honor or Hostess receives 1 additional fully retouched 4x6 print, a digital image of a group shot (chosen by photographer) and a \$25 gift voucher towards future sessions. For parties with 10 or more ladies, the Hostess will also receive a movie of her pictures, \$150 value or her party shoot, FREE!
